This certificate is based on the report with reference PwCC-DD2K3D7CND6R-863783709-22 and has been issued on 7 December 2022 and will be valid until 7 December 2025

The management system is subject to annual surveillance audits during the duration of validity of the certificate.

Bram van Tiel, Statutory Director
PricewaterhouseCoopers Certification B.V.
Amsterdam, 7 December 2022

This certificate was issued electronically and remains the property of PricewaterhouseCoopers Certification B.V. and is bound by the conditions of the certification agreement. See <http://www.pwc.nl/nl/pwc-certification> for background and limitations of this certificate. This certificate relates to the information technology service management system, and not to the products or services of the certified organisation. The certificate reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotion material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate. The certificate does not of itself confer immunity on the certified organisation from legal obligations.

“X” in the table does not indicate that all services and/or functions mentioned in the scope description are present or carried out at a particular location.

This certificate was issued electronically and remains the property of PricewaterhouseCoopers Certification B.V. and is bound by the conditions of the certification agreement. See <http://www.pwc.nl/nl/pwc-certification> for background and limitations of this certificate. This certificate relates to the information technology service management system, and not to the products or services of the certified organisation. The certificate reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotion material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate. The certificate does not of itself confer immunity on the certified organisation from legal obligations.

Certificate No.: A9B39713-E7B6-483E-BA99-24B400038F08

Annex

The Information Technology Service Management System is centrally managed out of River Quest, Quai Voltaire, 95877 Bezons, Paris, France.

Tech Foundations (Tech): Core Infrastructure, Digital Workplace, Hybrid Cloud Platforms, Technology Services, Business Process Outsourcing, Communications & Collaboration Services

Digital: Digital Transformation Acceleration – Business Transformation, Net Zero Transformation, Internet of Things (IoT), Customer Experience, Data Analytics & AI, Digital Business Operations; Atos OneCloud – Cloud Advisory Services, Cloud Design & Build Services, Cloud Operations; Smart Digital Platforms – Application Services, Digital Assurance, ServiceNow Solutions, Digital Integration, Atos Bridge, SAP Solutions, SaaS & Packaged Software, Salesforce Solutions, Microsoft Solutions
BDS Cybersecurity Services

Functions (Func): Finance, Legal, Corporate Social Responsibility, Human Resources, Information Technology, General Secretary and Strategy, Investor Relations and Internal Audit, Marketing & Communication
